DESIGN + PERFORMANCE™

DESIGN + PERFORMANCE

The Upholstery Fabric Collection is inspired by the founding values of the Sunbrella® brand: **design + performance.** It takes an entire team to inspire, design and produce these textiles. This collection of 226 individual products comes in a rich array of colours, styles and textures. From how it looks to the way it feels, it brings out the best in your furniture choices.
Our fabrics are woven exclusively with solution-dyed acrylic fibres to guarantee UV colour-fastness. They are protected with an anti-stain finish and are washable, making them incredibly easy to maintain. Explore the possibilities of Sunbrella® fabrics through 12 ranges of harmonious colours and create your own personal world.

*La Colección Upholstery Fabric Collection se asienta en los valores fundacionales de la marca Sunbrella®: **design + performance.** Estas telas, en las que inspiración, creación y fabricación se funden, son fruto del trabajo conjunto de todo un equipo.*
Esta colección de 226 referencias constituye una rica paleta de colores, estilos y texturas que realza el diseño de su mobiliario de la vista al tacto. Nuestras telas están tejidas exclusivamente con fibras acrílicas teñidas en masa, protegidas por un tratamiento antimanchas. Además, son lavables y resistentes ante la radiación ultravioleta. Explore las posibilidades de los tejidos Sunbrella® a través de sus 12 armonías de color para crear un mundo a imagen de su personalidad.

LIGHT BLUE

LIGHT BLUE

Light blue hues create a gentle, poetic world. In this collection, thick textures combine with the warmth and character of this so-called 'cold' colour range.

Los distintos matices de azul claro crean una atmósfera suave y poética. En esta colección, las texturas gruesas aportan calor y carácter a esta gama de un color considerado frío.

To choose light grey is to choose the ultimate in subtle refinement. This half-tone colour is the symbol of understated elegance. Mouse grey, pearl grey or silver grey nuances bring to life modern interiors or spaces with an industrial ambiance.

Elegir un gris claro es optar por un refinamiento sutil. Déjese seducir con este tono medio, símbolo de elegancia y sobriedad. Gris ratón, gris perla o gris plata : sus matices se adaptan igual de bien a un interior moderno que a un ambiente industrial.
